NUMBER OF POSITIONS: Three Full-Time Positions

Transportation Security Administration is an Excepted Service agency. Basic Federal employee benefits remain the same as other Federal agencies.

POSITION LOCATION: U. S. Department of Homeland Security
Transportation Security Administration
Assistant Administrator for Aviation Operations
Honolulu International Airport

DUTY LOCATION: Honolulu, HI

AREA OF CONSIDERATION: All TSA Employees (includes permanent employees and 5-year temporary employees) at Honolulu International Airport

JOB CATEGORY: Specialized

Permanent Change of Station: No relocation expenses will be authorized.

INTRODUCTION:

The Transportation Security Administration (TSA) is responsible for security relating to civil aviation, maritime, and all other modes of transportation, including transportation facilities and is the lead agency for security at airports, ports, and on the Nation's railroads, highways, and public transit systems. TSA is responsible for Federal security screening operations for passenger air transportation and intelligence information related to transportation security; managing and carrying out program and regulatory activities; discovering, preventing, and dealing with threats to transportation security; research and development activities related to enhancing transportation security; coordinating inter-modal transportation security, including aviation, rail, and other surface transportation, and maritime transportation; and overseeing most transportation related responsibilities of the Federal government during a national emergency. TSA will manage the airport security workforce and promote security management for railroads, highways, pipelines, and public transit systems.

PRINCIPAL DUTIES AND RESPONSIBILITIES

Incumbent functions as a Screening Manager responsible for individuals at screening checkpoints. Manages screening checkpoints that are central to Transportation Security Administration (TSA) objectives and that will serve to protect the traveling public by preventing any deadly or dangerous objects from being transported onto an aircraft. The incumbent works under close supervision and review.

Maintains communication with supervisors regarding any issues that might reveal a weakness or vulnerable area of security screening that is discovered in the course of screening duties. Participates in information briefings concerning security-sensitive or classified information.

POSITION SENSITIVITY:

This is a Non-Critical-Sensitive (Level 2) position and requires a Confidential Security Clearance and completion of a favorable Background Investigation (BI) prior to appointment, unless a waiver is obtained. The incumbent will be subject to a 5-year periodic re-investigation. You must

also pass Drug and Alcohol Screening and be subject to random testing.

SUPERVISORY/MANAGERIAL PROBATIONARY PERIOD REQUIREMENTS:
Unless previously completed, the person selected for this position must satisfactorily complete a one-year probationary period to continue in this supervisory/managerial position.

METHOD OF EVALUATION:

Applicants will be evaluated on their total background including experience, education, awards, training, and self-development as it relates to the position. Responses to the EVALUATION CRITERIA may be ranked according to relative merit for this position and identified as being "qualified" or "best qualified." Selection for this position will be made only from among candidates possessing the best qualifications.

QUALIFICATION REQUIREMENTS:

All applicants must demonstrate one year of specialized experience equivalent to that of the next lower grade or level in the Federal Service. For the SV-H band applicants must have one year of supervisory security work equivalent to SV-G pay band (GS-11 level) or higher gained in the Federal government or private sector. Specialized experience is defined as experience that has equipped the applicant with the particular knowledge, skills and abilities to successfully perform the duties of the position, and is typically in or related to the work of the position to be filled. Such experience will include administering, coordinating, or supervising/managing programs/services providing aviation security, corporate security, force protection affecting personnel, equipment, and facilities.

EVALUATION CRITERIA:

In order to receive further consideration applicants MUST address, in a concise narrative statement on a separate sheet of paper, each of the knowledge, skills and abilities (KSAs) listed below. Failure to address any KSA described below will disqualify applicants from receiving further consideration:

KSAs

- 1- Skill in managing a staff on various shifts.
- 2- Knowledge of theories, dynamics, and factors underlying the aviation screening process to enable management of the screening functions.
- 3- Knowledge sufficient to be able to operate basic security equipment at screening checkpoints.
- 4- Skill in communicating technical and non-technical information orally and in writing.
- 5- Ability to manage a diverse workforce and leading others, including planning and assigning work; monitoring, assessing and improving performance; selecting employees; and promoting EEO, human relations, and employee participation.
